Old Business

Item A. Property Maintenance, Slum Clearance, Abandoned Vehicles & Administrated Officer

Commissioner Hackler asked Attorney Russ Blair if he knew of the options available and Blair confirmed that he is familiar with multiple avenues and that the Town already has the framework for codes enforcement officers in Englewood and for slum clearance, but uniform enforcement is the difficult part. Hackler said that Bob suggested sending letters initially and he agrees. Bob said that he does what the board tells him to do. Blair said if this is Englewood's first step, then there will need to be an organized list of all properties to be cleaned. Commissioner Coleman suggested that Englewood needs to clean up their own properties before we start asking someone else to clean up theirs. Commissioner Hitt agreed. Police Chief Jason Pickel confirmed that patrolman Aaron McMahan would be codes enforcement officer.

New Business

Item A. December Financial Report

Cass presented the December Financial Report.

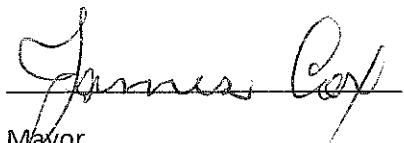

Item B. Police department Report.

Pickel presented the police department report.

☑ Hackler brought up that there was a transfer truck by the school dripping diesel. He called the company that the truck leased to. They had him move the truck but he thought there was a sign that didn't allow trucks by the school. Diesel will eat that pavement and he wanted to know if there was a way to get a sign up. Bob said that if they didn't have the sign, they would order one.

Item J. Adjournment

Cox made a motion to adjourn. Martin seconded. All Ayes
