

Minutes from the Commission Meeting held on

July 16, 1990

The Englewood Board of Commissioners met in called session on July 16, 1990 at 8:30 a.m. concerning the bids on the gas line to the packing house. Two bids were then opened: Jess Quinn for \$2.80 per linear foot, Webb Plumbing for \$2.85 per linear foot. Commissioner Long then asked if it would not be closer going around the old road. It was the consensus of those present that it would but that easements would have to be obtained to cross the lots in the Brown Hill Subdivision. Commissioners present were Armstrong, Cass, Conner, Brown, and Long.

A motion was then made by Cass to accept the lowest bid of Jess Quinn for \$2.80 per linear foot. The motion was seconded by Long. All ayes.

With a motion by Armstrong, a second by Long, and all voting aye, the meeting was adjourned. All ayes.
