Mayor Cass then noted that the Planning Commission would meet the 4th Tuesday of the month.

The Recorder was told to inform the fire department of the testing.

Regarding grant to make needed repairs to homes, it was noted that McMinn County had been allocated \$77,000. With no other city in the county using these funds, a motion was made by Casteel and seconded by Peeler to apply for the \$77,000 for use in Englewood. All ayes.

Due to the needed repair to the "Welcome to Englewood" signs, the Board was in agreement that Mr. Hammonds, McMinn Central Building and Trades, would be asked to repair the signs.

Long also noted that Bruner Young could not handle city repair work ahead of others. Comm. Long then stated that he felt that Officer Frisbie would be no problem as court officer but felt he should work his shift and someone else fill in as court officer. Concerning use of police car received from Etowah, discussion on the matter was tabled until a free and clear title was received on it.
